PEI wins four Gamma Awards at 13th Annual MAG Awards Luncheon

PPA Publications is proud to announce that ***PEI*** ***Photo Electronic Imaging*** won four Gamma Awards at the 13th Annual Magazine Association of Georgia (MAG) Awards Luncheon held May 31, 2002. *PEI* once again garnered awards for the categories entered, displaying a standard of excellence it has maintained over the years.

The winners were selected by a panel of judges whose collective publishing experience cover every aspect of the industry. They ranged from Tony Silber, publisher of *Folio* magazine to Richard Baker, creative director of *Premier* magazine. A complete list of judges may be found on www.mag-georgia.org.

The whole magazine staff would like to thank all the photographers and imagers who share their artistic vision and technical expertise with our readers. Without them, there would be no *PEI*, nor the accolades we've received from our publishing peers.

Below is a list of the winning entries.
